Hi Lori,

This is the list that Sally sent us, apparently the bold ones are covered and the ones not in bold are the ones she is hoping to find funds for.

To answer your email, I don't have any TTAU travel planned for October beyond the retreat. Many of us had put requests in for other trips, however it was my understanding that if they weren't approved on the list below then they weren't approved. I think there might be some confusion with your request for plans in October, this might generate new trips that weren't on the lists we provided to Sally.

My October is so full that I don't think I could take any other trips anyhow.

Thanks! Tami

Hello!

Wanted to give you an update on where we are regarding funding TTAU travel for the rest of FY 08. The following is the list of remaining AK trips we are trying to support this year:

1 trip from Seattle to Anchorage and Pebble Mine to participate in Regional meeting and site visit. \$2100  
1 trip from Seattle to Anchorage, Tyonek, Port Graham, Larson Bay, and Wasilla for consultation work, site visits and APAMs. \$3000  
1 trip from Anchorage to Kwinhagak and Eek for regional meeting and on-site assistance. \$1800  
8 trips from Anchorage to Seattle for TTAU retreat (in Oct.). \$ 12,200 \*\*\*  
1 trip from Anchorage to Katzebue, Pt. Hope, and Pt. Lay for APAM. \$1700  
1 trip from Anchorage to Akutan for APAM. \$1400  
1 trip from Anchorage to Ruby for APAM. \$1100

The bolded trips above are approved and travel plans can now be initiated. Please keep costs within the above-stated projections!

Our budget cannot cover all requests, so we are requesting additional \$4200 from the RA to cover the 3 remaining trips. I will let you know ASAP whether those trips can be initiated.

\*\*\*For the trips from Anchorage to Seattle for the retreat - please make your arrangements to be in Seattle so we can start our meeting at noon (ish) on Monday 10/6, and remaining for a wrap-up by noon (ish) on Friday 10/10.

Thank you for your patience.  
st
